Claim Corrections

Claim 17

Patentees propose correcting a minor error in Claim 17, at column 8, line 30, by changing “An image forming apparatus” to --A process cartridge--, which renders dependent Claim 17 consistent with independent Claim 10, from which Claim 17 depends, without changing its scope. Therefore, this correction is proper and its entry is respectfully solicited.

Claim 20

Patentees propose correcting a Patent Office printing error in Claim 20, at column 9, line 6, by changing “positioned” to --positioned to receive--, in accordance with the text of Claim 20 at page 13 of the May 27, 2005 Amendment. Therefore, correction is proper and its entry is respectfully solicited.

Claim 22

Patentees propose correcting a minor error in Claim 22, at column 9, line 19, by deleting “made”, which improves the claim grammatically, without changing its scope. Therefore, this correction is proper and its entry is respectfully requested.

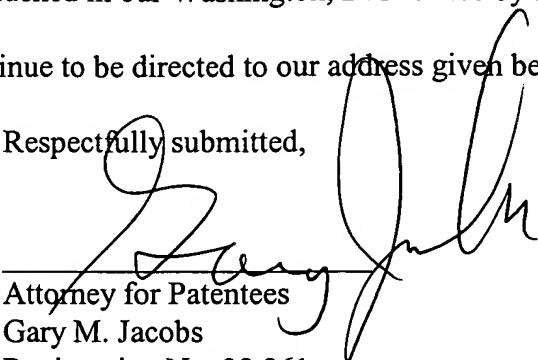

Required Fee

Accompanying this letter is a check for \$100.00 to cover the statutory fee for such Certificate of Correction. Please charge any required additional fee or credit any overpayment to Deposit Account No. 06-1205.
